Report of Principal and School Improvement Council

The 2007-2008 motto for Fairfield Middle School students and faculty was Academic Excellence is Our Ultimate Goal. Students, teachers, administrators, and parents worked together to achieve academic excellence. Innovative district monitoring procedures, increased academic rigor, emphasis on data driven instruction, and evaluation raised the bar for improved student achievement.

One initiative that energized parents and students was the addition of quarterly criterion reference tests (CRT) in each core content area. The CRT scores now count as 20% of students' nine week's grades. It is Fairfield School District administration's goal that emphasis on standards based quarterly assessment will translate into improved PACT scores for spring 2008.

Some key factors in FMS improvement efforts were: continuing the AVID program under the direction of a fulltime literacy coach, instructional assistance from teacher specialists in math and English/language arts all who worked directly with all math and ELA teachers. FMS continued participation in Making Middle Grades Work, a comprehensive improvement framework, and the SC Department of Education's External Review Team program.

The annual school spelling bee competition, parent nights, science fair, job shadowing events, and awards programs provided opportunities to celebrate students' success. The Principal's Effort Recognition List (PERL) recognized students who pulled up their grades at least two levels. Additionally, numerous students had the opportunity to participate in exciting field studies to Washington, DC, New York, the Civil Rights Museum in Alabama, and Charleston, SC.

Overall, it was an extremely busy year. Business partners, along with school volunteers, supported FMS through generous donations of time and resources. We are extremely grateful for all the parent and community support. As always, improving student achievement remains our primary endeavor here at Fairfield Middle School.
